PREPARING YOUR COPY

Each editorial will require approximately 150 words and either one or two photos.

The copy should be filed under three sub-headings:

- LIFESTYLE** what does the property offer
- FEATURES** what makes this property special
- LOCATION** what does the property offer the buyer

CREATING AND EDITING YOUR MODULE

1. CHOOSING YOUR MODULE SIZE

Select the property for the Agent's Choice and select the Feature Tab. Click on the New Feature and a list of the available sizes will be displayed.

2. ADVANCED EDIT

Within the Advanced edit screen you can make further changes to your property.

3. SALE / AUCTION

Agents Choice templates are defaulted to show the Price field. If your property is an auction, change the styles as per sample.

4. DELETING IMAGE

In some Agents Choice templates, you have the option for 2 images. Delete the second image if not required via Advanced Edit by clicking the Delete button.

5. NEW LISTING

If this is a 'New Listing' turn on your flag via Advanced Edit using the Banner_Text style.

6. REMOVING LAND AREA

Should you choose not to display a land area you can turn this section by selecting the _None style.

SENDING YOUR AD TO PRINT

When complete, select the Info button to rename your Agent's Choice with the number provided.

Select the Booking No. button and if you receive a Passed status you can send your ad.

Please note: The file will now appear in your archive. If you will require this document in the future, please select Copy prior to sending it.
